Dedication

Because the essential principle influencing a person is something called spirit, we have dedicated this year's VALHALLA to the Class of 1976. In the celebration of the Bicentennial Year, VALHALLA honors the Class of '76 everywhere and applauds their dynamic drive and creative response to the demands they encounter in day-to-day living.

America was not free in 1776 with the ending
of the American Revolution.
And we seniors will be set free to grow and
start a future life when we graduate in 1976.

America struggled through the depression.
We struggled through nightly hours of homework.

America grew from a minute population to an
overpopulation.

We grew older with each passing day:
learning tricks to outsmart the teachers,
imitating students in upper classes,
gaining as much knowledge as deemed possible,
and learning a valuable lesson every now and then.

America advanced to the "technological" age,
simplifying daily living.
We advanced, finally, to seniors, to a life of
hustle and bustle to send out college applications,
nightmares of what is to become of us when
we leave the security of Mr. Hebron's halls,
and friendship and sharing because as seniors
we become closer.

Now, in 1976, year of our Bicentennial, Americans
can be proud of their country, even though
heartbreak and misery we have advanced
to a new generation.

As seniors we can be proud too, to be a part
of our great nation.
We have shared struggles, growth and
happiness and have become the great "Class of
1976."

Suzanne O'Connell

The Year of Spirit ☆

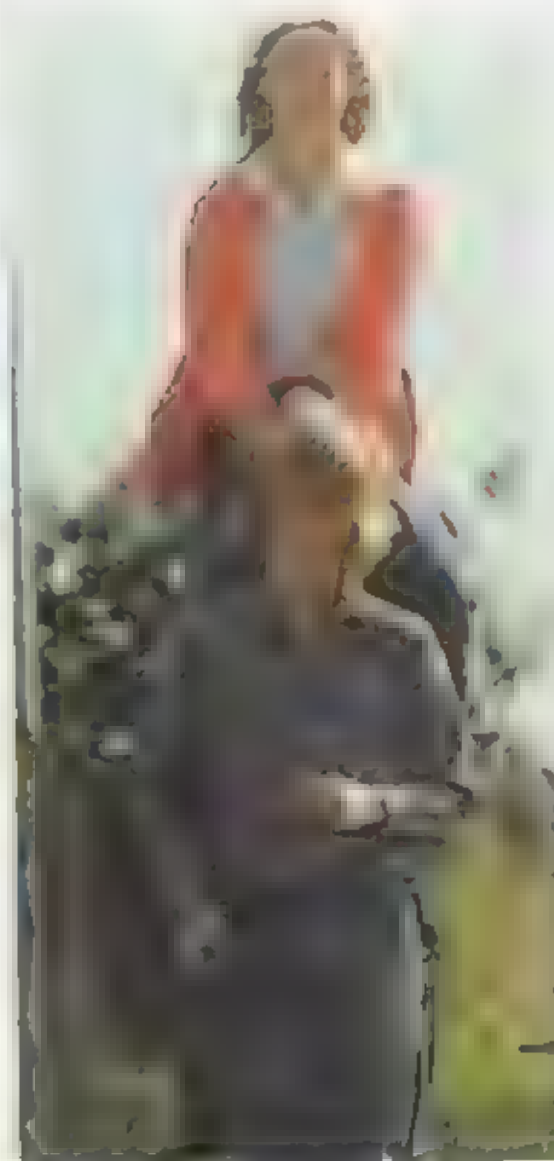

Spirit. The dictionary defines spirit as "mental vigor or animation." In a more personal sense, spirit is equated with images of smiling people, an enthusiastic crowd cheering, and good friends having fun. It is also a special frame of mind - an attitude which is exemplified by our nation's celebration of a proud heritage.

Spirit means being free to do what you want to do or say. As Jonathan Edwards defined spirit: "A man of a right spirit is not a man of narrow and private views, but is greatly interested and concerned for the good of the community to which he belongs."

Spirit is the vital element that gives us the will to do our best. It is the inner drive which encourages, a life giving force - a force that moves our bodies with life, energy and power. Never giving up when defeated, being truly dedicated to something; giving it all you've got - these are attributed to that intangible force called spirit.

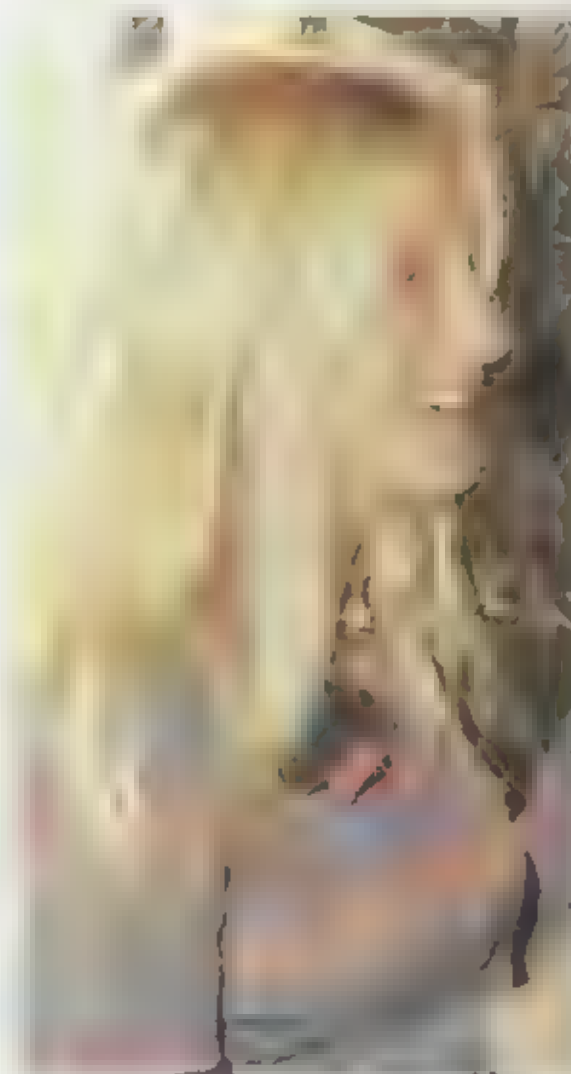

The Class of 1976 and all members of Mount Hebron faced a changing world, in much the same way that the colonists of 1776 faced a changing world. Thus, in this Bicentennial Year we shared with our forefathers not only an anniversary but a distinct kindred spirit. With reflection and gratefulness we accepted the heritage of the past and with determination and spirit we looked to the promise of the future.

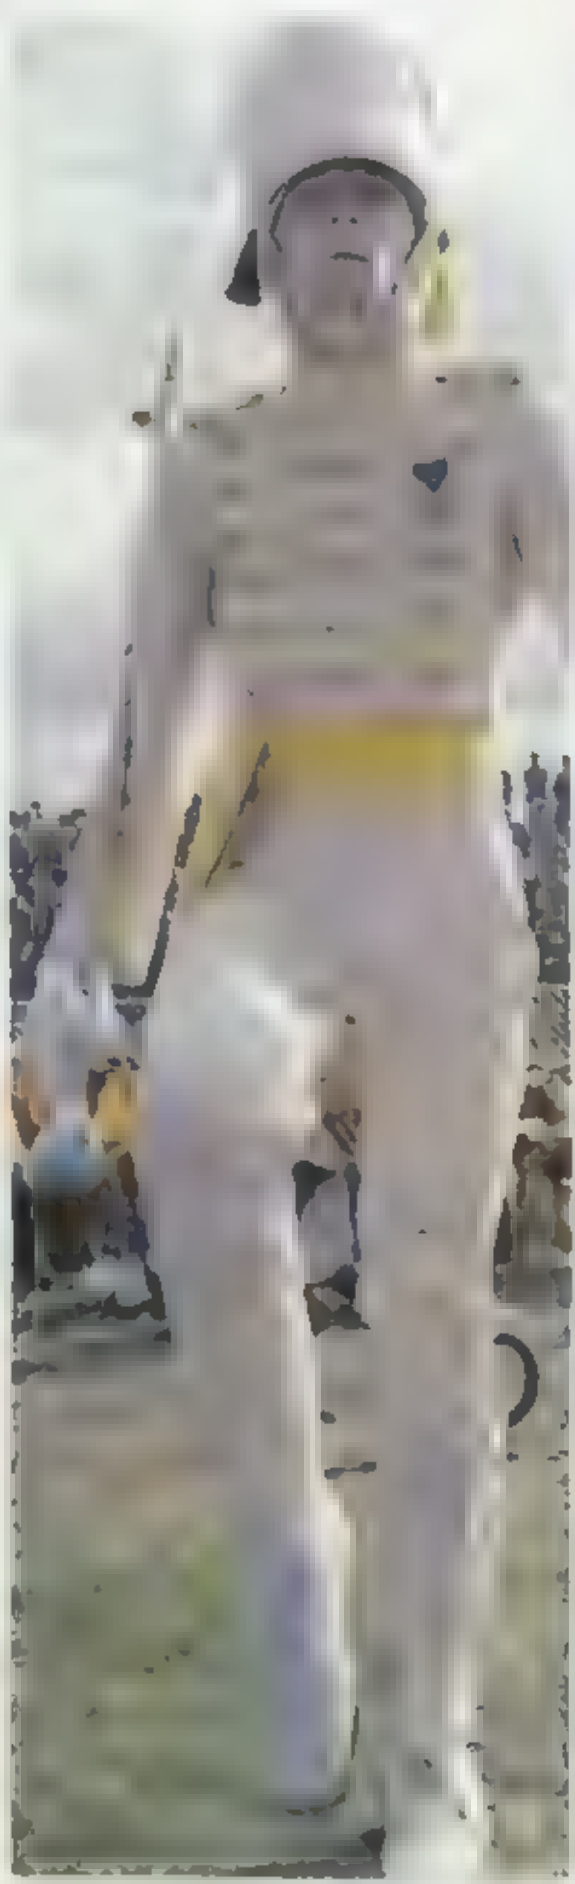

The year of spirit saw it sagging a bit in a number of locations. New York faced default, the equal rights amendment faced defeat, Gerald Ford faced opposition and Hebron students faced each other. The student population was over-capacity, an "up-down stairway" failed, there were not enough lockers, free mods were a thing of the past and traditionalism returned to the classroom.

But, an undaunted spirit looked not to the problems, but instead concentrated on the fall of '76 when the new addition would be completed and ready for students.

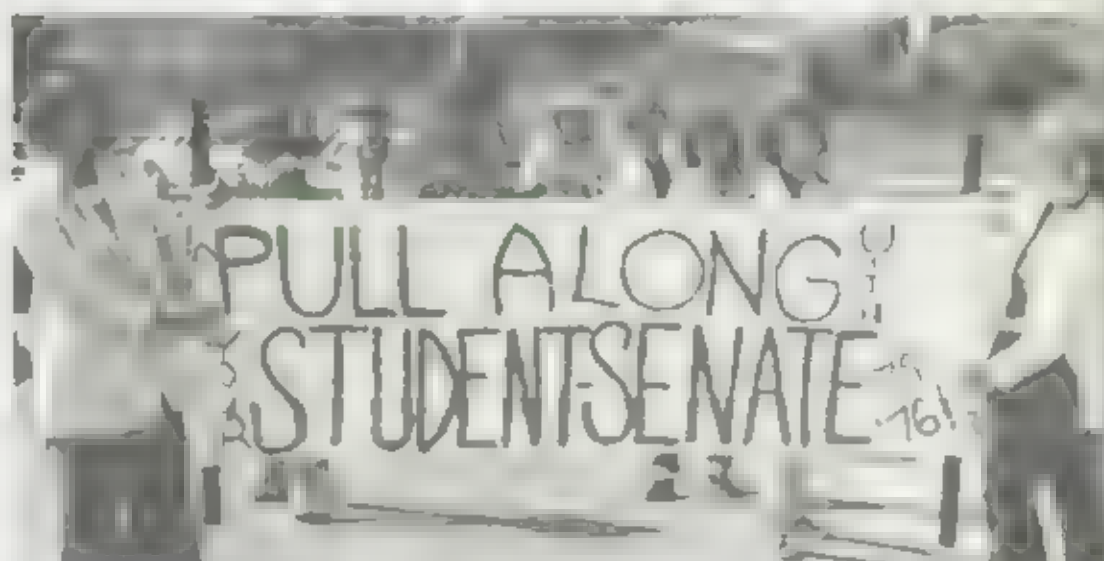

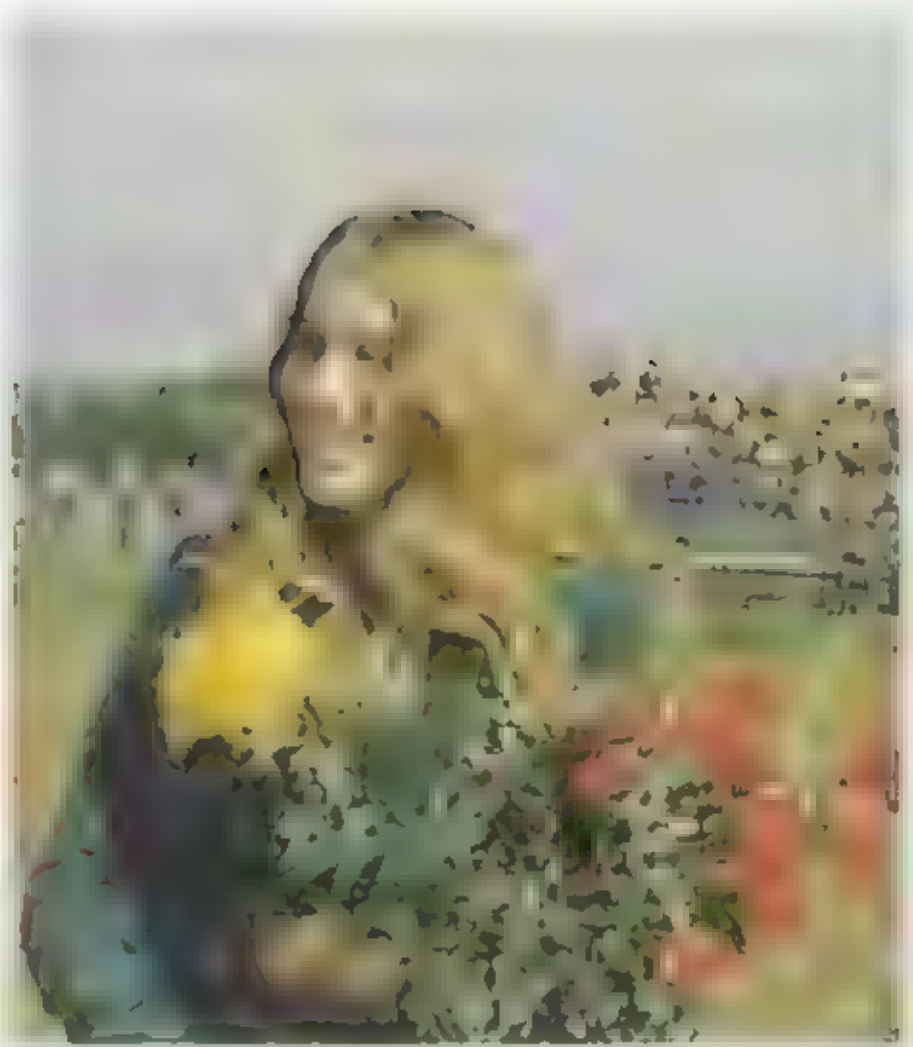

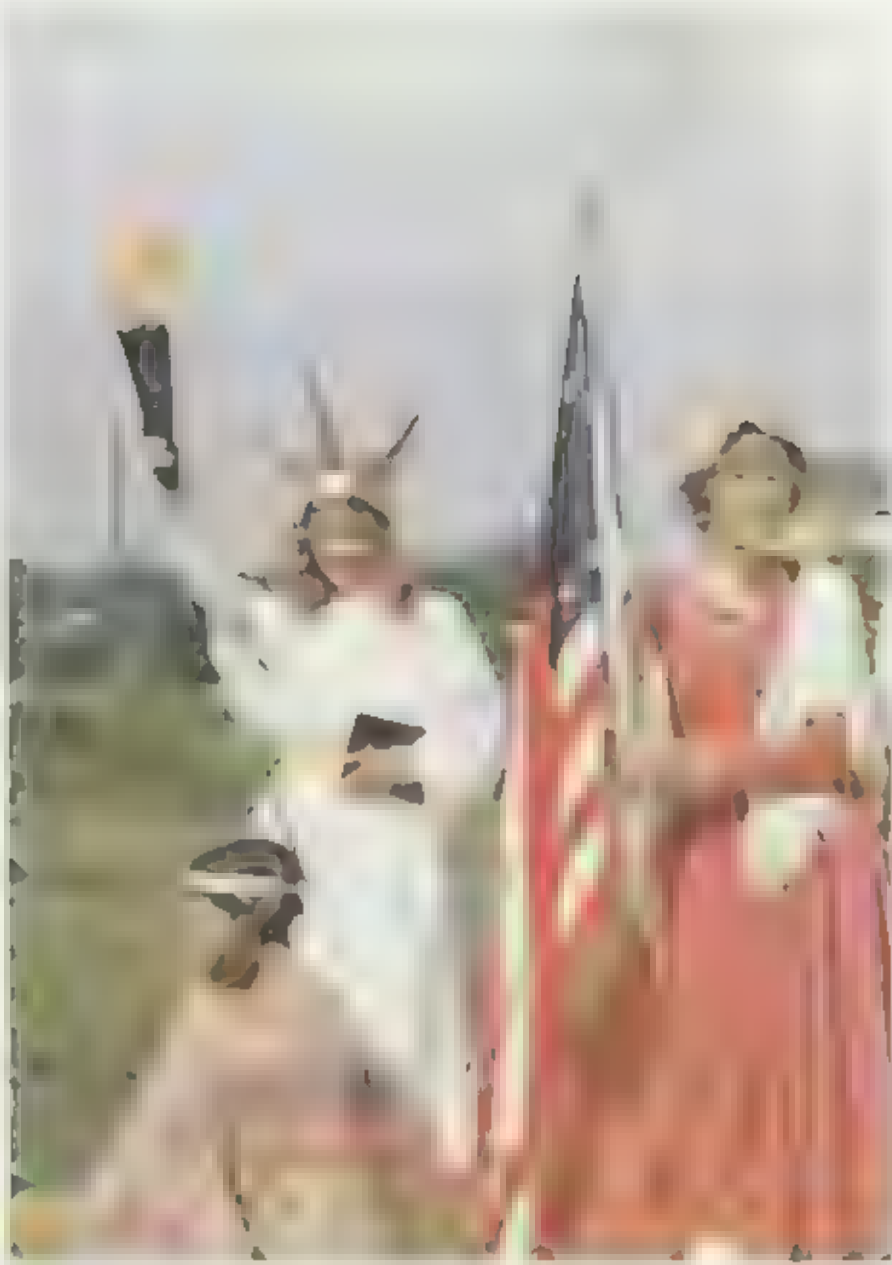

Spirit was evident in '76 with the formation of a human relations committee. In January this group sponsored a different type of dance which was well-attended and highly successful. Other students also rekindled spirit by trying new ventures such as the Drama Club's presentation of "The Miracle Worker," in the theatre-in-the-round fashion. The Class of '76 inaugurated a bonfire in the fall, a ski-trip in the winter, and an entire week of activities which they designated as "Senior Spirit Week."

The spirit of the students that stood in the drizzling rain around the bonfire to cheer a football team evolved into a spirit that planted ivy around the new addition, crammed for finals, sang at baccalaureate, marched to graduation and to the future.

Asked their opinion about the concept of spirit, the members of the Senior Class replied . . .

"Ka Ra Ra" - Tony Notari

"Knowing what you believe and standing up for it." - Tracy Rectanus

"Working for a goal, and succeeding." - Bob Sorbo

"Living today like you've never lived before." - Steve Grill

"A Hebron-Howard football game." - Linda Lanier

"Being involved." - Cathy Mammarella

"America." - Steve Trent

"High hopes." - Marlene Rooney

"Everyone pulling for Mt. Hebron." - George Schwalm

"Having a sense of adventure." - Laury Turyn

"The movement of yesterday that made many tomorrows today." - Phyllis Orman

"Caring." - Sue Benner

"A pep rally." - Bill McDermott

"What keeps us going." - Jean Makowski

"Thinking that we're finally going to beat Howard this year . . . alright, next year." - Judy Ammer

SPIRIT IS THE CLASS OF 1976!!!!!! - everybody!

The Valhalla editors wish to thank the Senior Class for their thoughts on spirit. We also wish to thank Tom Perry for his art contributions and Ken Katzen, Roy Grant, Danny Sullivan, Kirk Rossmeissl and Dave Windley for their photography efforts.

Miss Salvato is replaced by Kim Snead and Sharon Dunn.

Senior Take-Over Day took place on May 19. Seniors assumed the roles of administrators, teachers, librarians and janitors. After four years seniors finally got their chance to run the school. School philosophy was based partially on idealism, but more specifically on reality, when most students discovered how difficult it was to please all of the students all of the time. Senior Take-Over Day was quite an experience for everyone.

Senior Antics Make Follies

On May 21, Mt. Hebron was treated to the greatly anticipated, annual Senior Follies. Written by and starring the Class of '76, the Follies proved to be the highlight of Senior Week. Much work and frustration paid off as the show displayed the talent and lively wit of the Seniors. The delighted audience seemed to agree that this was, indeed, the most spirited and hilarious Follies yet.

Mr. McCrumb at the head of the class.

The graduation ceremony for the Class of 1976, the largest in the county with 317 graduates, was held on June 8th at 6:30 p.m. warm weather and clear skies made it possible for graduation to be held outside on campus for the sixth straight year. The guest speaker was Colonel Robert Matthews, the Chief of Police in Howard County. Other messages were delivered by Mr. McCrumb, Principal; Joe Rogers, Valedictorian; Matt Hall, Salutatorian; and Suzanne O'Connell, speaking for the Senior Board. Suzanne explained that the Mount Hebron Class of '76 had given an oak tree and azaleas to the school. At the end of her speech, she inspired the class with the statement that "Life is a do-it-yourself project, so Class of '76, go out and do it."

Educators

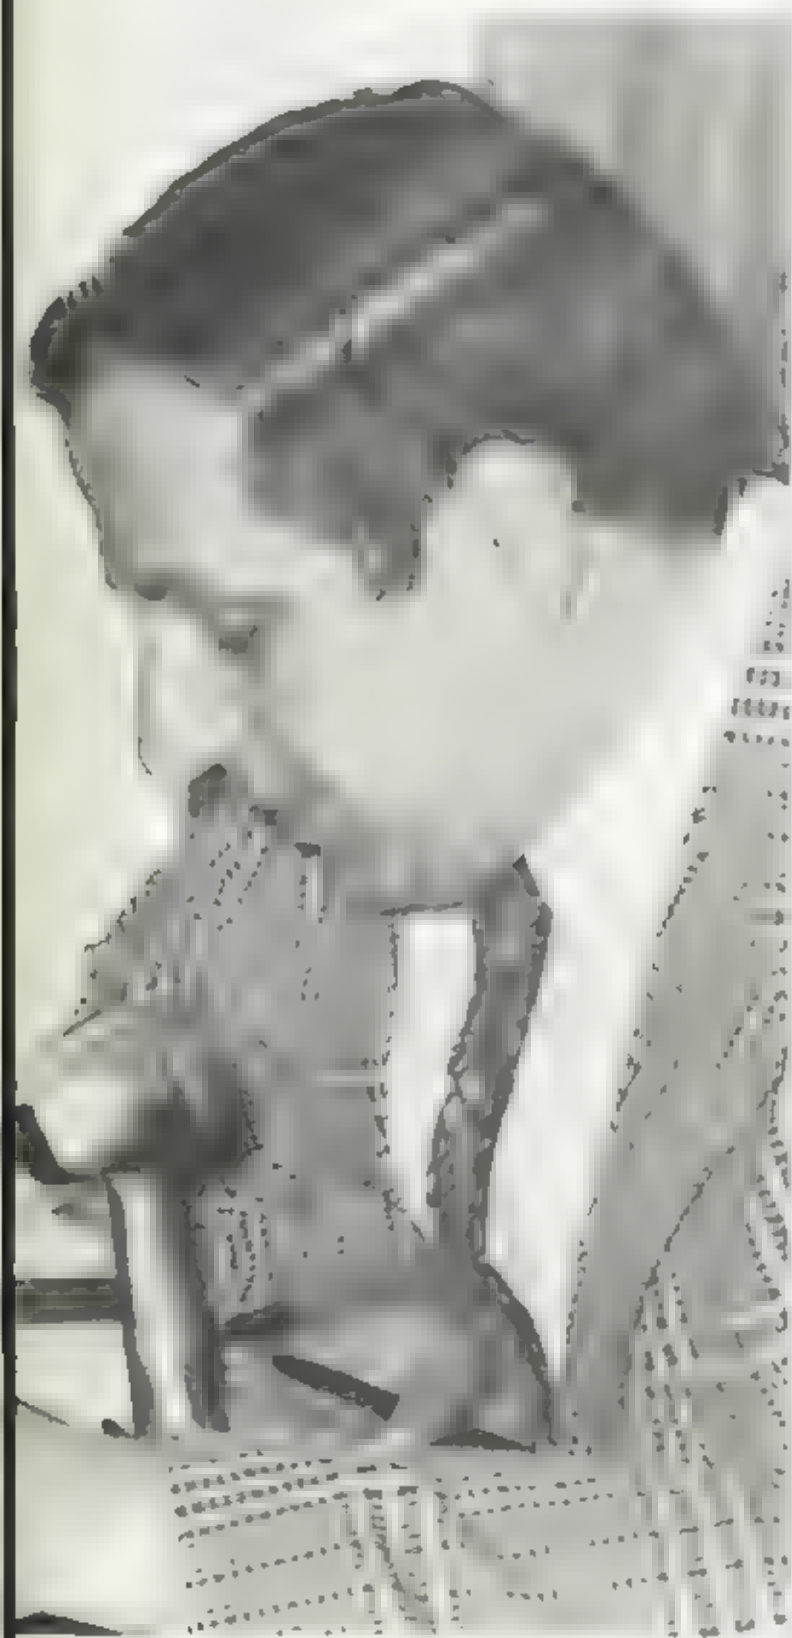

Administration

Scheduling an over-crowded student body was the initial problem in the 1975-1976 school year. However, the administration tried several creative approaches and watched as large problems disappeared. The new addition to the school produced another type of tension as teachers took over the student parking lot, but the expectation of more space created an air of expectation. As 1975 gave way to the "Spirit of '76," administrators and faculty were encouraged by the promise of the future.

Guidance stored lacrosse sticks, frogs, motorcycle helmets, budding plants from Vo-Tech. Crying students, angry students, concerned students, exuberant students - crying parents, angry parents, concerned parents, exuberant parents - crying teachers, angry teachers, concerned teachers, exuberant teachers. Students seeking information, voicing their complaints, evaluating their needs, deciding where they are going. Guidance was a maze of service somewhat imprecisely defined, centered around the needs of each individual usually evolving into an endless flow of transcripts. We stored your records, administered your tests, supplied you with vocational and college information, saw you individually, in small groups, but mostly we attempted to establish a relationship with those students who wanted or needed a point of belonging and acceptance.

Although fragmented to allow physical progress, the department looked ahead to their new quarters. This year found the first semester devoted to mastery of basic language skills. The second semester allowed students to select their own courses from among the following: Grammar and Composition, American Literature, English Literature, Poetry, Satire, The Classics.

Although the edition operated under a tight budget, it was still able to incorporate many new ideas. The staff was larger than in previous years, with equal distribution of old and new members. With the aid of advisor Ms. Gnizak, the "Spirit of '76" was evident this year in the VALHALLA.

The Mountain Hits Its Peak

Editor, John Eckes

THE MOUNTAIN is an innovative school newspaper. The publication is distributed each month of the school year to student and faculty subscribers. The Mount Hebron monthly explored areas usually ignored by other school newspapers. The issues investigated ranged from marijuana legalization to sex roles in the school. An excellent departmental evaluation of faculty and administration was also written. The newspaper enjoyed a successful year under the direction of Mr. Cornmesser. In the words of a faculty member, "... THE MOUNTAIN engages in the best journalism possible ..."

Students experience other cultures through AFS

The American Field Service Club was very active this year in exchange programs and fund-raising activities. AFS students from the Baltimore area and Cheshire, Connecticut visited the Mount. Cookbooks, place-mats and Christmas cards were sold by club members. The year was highlighted by capturing the "Best Club Float" award at Homecoming. Mt. Hebron AFS Club members and our exchange students, Regina Castro from Costa Rica and Bente Purup from Denmark, have experienced a fun-filled rewarding year.

My name is Bente Purup. I am from Denmark, the smallest country in Scandinavia. I live in a suburb of the capital, Copenhagen, called Sagsvaerd. My family in Denmark is very small, including only my father, my sister, and me. In the U.S., I live with the Lawhorns, and I have two sisters and two brothers. I have joined the Cavaliers and the Equestrian Club. I am very interested in other cultures. This year has been a really great experience for me. Thanks to all of you, my friends. Love,

Bente

Hola! I am Regina Castro, from Costa Rica, and I am living with the Hevener family. My sister is a senior, Susan. I have three sisters and two brothers in my Costa Rican family, all younger than I. I enjoy people, friendship, and nature. When I return to Costa Rica, in July, I may study nursing, a job that will give me an opportunity to work with people. During this year I have learned to love this country as my own. GRACIAS, to all of you who have given the chance to live and learn in the U.S., my second home.

My love to you all,
Regina

Student Senate is called to order

Mr. Hebron's student government concluded another challenging year. In an effort to improve conditions around school, the Student Senate formed a cleanup committee. This committee removed trash from the school area on a monthly basis. Student advocates were also appointed, whose duties included helping students with their school problems. The Student Senate participated in the Kidney Walkathon, produced Vaudeville Returns, and a can food drive. Officers included: President - Laury Turyn; Vice-President - Kim Krantz, Lissa Bounds; Secretary - Gail Heiss; Treasurer - Bijen Lokmanhekim.

It's Academic, Human Relations

After two tryout sessions in the fall the competitors for It's Academic were chosen. The show was held the second week of September. With Mr. Oppelt as coach, the team put forth a commendable effort although they placed third.

In the fall, as a direct result of a racial incident, the Human Relations club was formed. Concerned students were brought together to discuss problems. The main consideration of the group was to strengthen relations between all students in the school. The new club sponsored a "Cool and Casual" dance which proved to be a huge success with a large turnout. Advisors Mr. Greenberg and Mr. Kesmodel look forward to an even more unified future.

They attended the District and State Drama Conferences, as well as the International Conference in Muncie, Indiana, held at the end of June. Terri Steen, Vice-President to the troupe, was selected as Howard County Representative to the State Thespian Council. Many members were involved with the spring musical, "Funny Girl," and a select group performed a version of "Story Theatre" at area schools.

Chorus achieves

The 1975-76 season was an outstanding one for the Mt. Hebron Chorus. The Spaghetti Dinner was very successful, and profits were used to defray the cost of a weekend trip to New York City. In addition to performing several seasonal concerts, the Chorus participated in the second annual Howard County Choral Adjudication, and received the only "A" rating in the county - a score well deserved for a fine performance. This year's officers were Stephanie Satkiewicz, Diane Smith, Terri Steen and Kim Snead for Mixed Chorus, and Marcia Fuller, Kathy McColley, Gail Heiss and Rosemary Roche for Girls' Chorus.

Chess Club and Strategy Club exercise minds

The Strategy Club headed by Mr. Gentry helped students become proficient in strategy games like Tank Battle and Diplomacy. This is the only club at Mount Hebron that for two consecutive years, has met every Friday, even throughout the summer. The Strategy Club should be congratulated on the dedication of its members.

The Chess Club encouraged students to play chess matches with each county school at least two times. With advisor Mr. Heaps, the season ran from December to February. Matches were held on Tuesday and meetings occurred on Wednesday.

Hebron's Ski Club was organized in order to enable students an opportunity to go on ski trips for reduced rates. On these trips inexperienced skiers have a chance to learn how to ski and the experienced have a chance to improve their skills.

At the County level, the Symphonic Band was judged as superior, with a "I" rating. This rating allowed the Mt. Hebron Symphonic Band to participate at the State Adjudication, at which both the Symphonic and Stage Bands were judged excellent, receiving "II" ratings. Several members performed for the spring musical, "Funny Girl." The season closed with a Spring Concert of popular music and the recording of the Band's first record.

Individual accomplishments abounded as several band members performed at County and State Solo Adjudications. President Janet Spangler was the first student from Howard County to become a member of the Maryland State Band. Dave Crass, Janet Spangler, Susan Hevener and Terri Steen were elected to "Who's Who Among Music Students in American High Schools." Back-To-School Dance Packs Them In

The Student Senate opened the 1975 school social season on September 20 with its sixth annual Back-To-School Dance. Fantastic music was provided by "Free Spirit," who highlighted the evening with such special effects as strobes, bubbles, and a light snow. The first school-wide activity of the year was well attended as everyone squeezed into the gym for a good time.

The long-awaited Junior Ring Ceremony took place on September 25 in the Mt. Hebron Auditorium. After speeches by class officers Liz Lauman and Anne DiVirgilio, Mr. McCrumb distributed the new 1977 school rings to the anxious members of the Junior class. With much enthusiasm and confusion, the class of '77 then carried out the traditional "turning of the rings."

Vikings Day Activities

In celebration of the Bicentennial, "America the Beautiful" was chosen as the theme of Vikings Day '75, held on October 4. The day's activities began with the traditional Vikings Day Parade, featuring the Marching Band, Lancers, and Cavaliers. A colorful array of floats followed, with those of the AFS club and the Junior Class being declared the winners of the float competition.

The mighty Vikings thrilled alumni by trouncing the Oakland Mills Scorpions 49 to 6. At half-time, the Mt. Hebron Marching Units entertained the crowd with a spirited performance. The 1975 Homecoming Court was then presented and Mary Anne Solano was crowned queen. Her princesses were Tami Lodder, Kim Sneed, Cindy Sutton, Kim Axt, Kim Russell, Cindy Buttlung, Kathy Ellis, and Becky Hardy.

Halloween Spirit Fills Hebron

A new Lancer?

On October 31, Hebron's halls were filled with the Halloween spirit. Students from all grades and several teachers dressed up for the occasion. Costumes ranged from the traditional witches and goblins to unique outfits such as beer cans and hot-dogs in buns. Sponsored by the Student Senate, prizes were awarded to Becky Boender for the prettiest costume, Vicky Byard for the most original, and Karen Kelly for the scariest. The award for the funniest costume was shared by Terry Cassard and Debbie Hammond. Many people participated to make this year's Halloween Day the best yet.

Cool 'N Casual Dance a First

The Human Relations Club sponsored its first dance on January 17 from 8 to 11 p.m. The purpose was to bring together blacks and whites in a schoolwide activity to promote improved racial relations. A tremendous turnout made the dance a huge success. Informal dress and the music of "Maxx" made for a "Cool 'N Casual" evening.

A Fine Varsity Team Wins Seven Straight

The '76' Varsity Team with combined strengths of character, team unity, senior leadership and just plain ol' good football players won seven straight games. The team had a good offense consisting of a strong ground attack led by Wayne Cossentino, Bruce Kerr and Joe Rogers. The superb offensive line consisted of Billy McDermott, Tony Notari, Dave Struss, Dan Chetelate, Dave Sikora, Ken Sikora, Art Decarlo, Mark Measick and Richard Gavlin. The strong defense contributed immensely to the seven wins. Playing defense were Greg Long,

Chris Johnson, Dave Adamson, Bruce Schmickley, Hank Humphries, Bob Lucido, Bill Melvin, and Dan Chetelate.

The last game of the season was against Howard and it was the finest game for the Vikes. The offense was first to break the ice by scoring a touchdown after a no-show first half. The defense gave up only 11 points total and held Howard scoreless for three quarters. Hebron played a hard hitting Howard team resulting in the loss of some key Hebron players such as Wayne Cossentino. Wayne had already had 108 yards rushing leaving the game in

the third quarter. They also lost Mike Thompson and all-county Joe Rogers.

Every team has its superb players. On offense there was Brian Dalton who among other things broke every passing record for Hebron. Also Bruce Kerr and Joe Rogers ran for over 700 yards together. The defensive standout was Greg Long who led the team in tackles and broke the record for interceptions in a season. Outstanding senior players were Brian Dalton, Bruce Kerr, Joe Rogers, Dan Chetelate, Tony Notari, Dave Sikora, Greg Long and Art Decarlo.

J.V. and Frosh Football Show Their Best

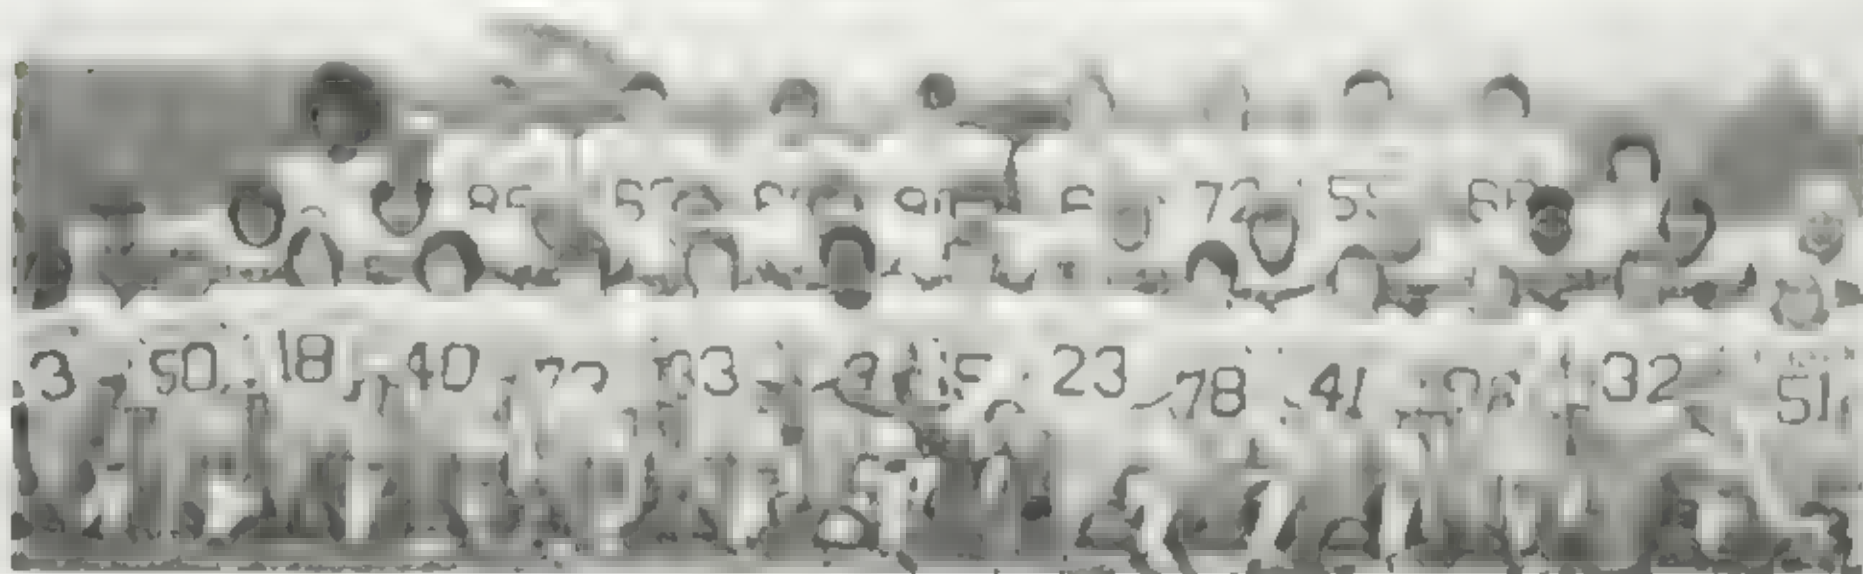

The Freshman squad placed third in the county with a 4-4 record. The offense sparked the team with a lot of yards gained but had trouble cashing in on the TD's. They also had trouble with loss of players, yet did a good job and should have an even better year on the Junior Varsity. The J.V. football team coached by Dave Greenberg and Jim Boeseler had an enormously successful season as they rolled to their second county championship in the last three years as the result of a 7-1-1 record. The team was led offensively by the mighty mite Joe Tringali who broke numerous school records including most yards rushed for in one season. Outstanding players were Brooke Carter, Danny Sikora, C. J. Hereth, David Brookhart and Andy Sitzman. The entire squad played nearly every game and should be proud of their championship season.

Gold Team Tees Off

Jim Mynaugh's excellent iron play and Gary Martin's long driving ability led the Viking golf team to a second place finish in the county standings. Kevin Knisley and Rich Gourley in the third and fourth positions, played superb golf all season and contributed greatly to the team's overall 6-3-1 record.

Juniors Paul Beck, Gregg Hawes, Steven Waagbo, and Sandy Stanton (alternate), will be the only starters returning to next year's team.

Volleyball Hits Hebron

The volleyball season began in a promising way as the Vikings downed Francis Scott Key, but later matches pitted Hebron against the perennially strong Carroll County team, and an away match with Key. Mt. Hebron kept its unbeaten record intact as they beat Howard twice capturing the County Championship for the second year in a row. The District 5 match placed Hebron against a powerful Glen Burnie team and the Vikings did not advance. Coaches Elizabeth Scott and Bruce Smith await next year when there will be a Varsity and Junior Varsity program.

This year's J.V. Hockey team began its season with many new and exciting players. Coach Janice Chaillou worked hard to prepare the girls for the season. Because of the players' hard work and good spirit, they concluded their season with a 3-2-5 record which was good enough to take the county title.

Spirit Hits the

This year's Varsity Field Hockey Team, under the coaching of Jessica Conrad, began its season with only four returning players. The team proved to be very versatile which allowed the players to switch from the traditional line-up to the European, called "the system." Even though they ended their season with a 3-3-4 record they were the only team to tie Glenelg, who took the county championship.

The coach stated that last year was a year for rebuilding, and he was "more than pleased" with the results.

Girls' Basketball Ends a Successful

Girls' Varsity Basketball had a successful season - sporting an overall record of 14 and 5 and a county record of 8 and 1. Although losing the county championship to Wilde Lake for the third year in a row, the team was invited to participate in the MPSSA Officials Tournament in Washington, D.C. The top private and public schools from the metropolitan area participated. Mr. Hebron was the first team from Howard County to win a game in this tournament, against Holy Child. They also played two other excellent games against Springbrook and Immaculate Conception Academy. The girls look forward to next year with six players returning.

The J.V. Basketball Team, not blessed with tremendous height this season, skillfully leveled every county team in the first half of the season and earned the respect of several coaches after turning in impressive victories over Howard and Wilde Lake. The only returning veteran, Carole Brosenne, led the inspired J.V. girls to a 6 and 4 county record.

The Varsity Wrestling team produced a record of 2-11. The many injuries of the Varsity wrestlers contributed to the team's disappointing season. The vacancies on the Varsity team were filled by four freshmen and three sophomores. This left many weight classes on the Junior Varsity team unfilled, contributing to their unsuccessful season. Greg Long and Brian Dalton were two outstanding wrestlers, who compiled impressive records. The experience gained by the team and the fact that only four seniors will graduate, made Coaches Myers and Johnson optimistic about next year's teams.

Varsity Basketball Shows Spunk Under Zoulias

The Varsity team under Mr. Zoulias, won most of its games at the end of the season. Averaging 73 points a game, the team as a whole shot 49% from the floor, with Peter Ridgely having the best percentage with 55%. Jeff Todd, Lester Wallace, and Kevin Knisley's combined total of 105 steals used effectively with their fast break posed a threat to opposing teams. The rebounding was led by Gary Martin and Kevin Knisley.

J.V. and Frosh Basketball Show Courage

The J.V. Basketball team ended a disappointing season, yet showed a great deal of courage with hard work, and effort. Top rebounders were Dave Evans, Ray Goldberg and Bo Feaga. Phil Benvenuto, Brian Vacca, and Dave Evans as top scorers.

The Freshman Basketball team finished the season with four wins and eight losses, but played much better than their record indicated. The team was led by Jeff Gonya, although small for a forward, scored the majority of his points inside. Rebounding leader was Ted Ashburn. The team was characterized by aggressive man to man defense.

The 1975-76 Viking Indoor Track team, coached by Bruce Smith, had an exceptional season. If not exceptional as far as team score is concerned, surely the team's individual performers were. Also with the addition of a girls' team they jumped, threw, and strode their way to a fine season. Matt Hall and Bryan Denson had fine showings in the District V Championship by taking first in the high jump and second in the 2 mile run respectively. Hall went on to grab 5th in the State Championship.

Varsity and J.V. Baseball's Talent Breaks Loose

The Varsity Baseball team finished an extraordinary season by winning the county title. This county championship is Hebron's fifth in six years, under the coaching of Dave Johnson. The Vikings began their season by dropping their first six games to tough Baltimore area teams, which served to prepare them for the county season. But, the big game proved to be the playoff game against Wilde Lake in which the Vikings triumphed by a score of 4-2.

The Mount Hebron J.V. Baseball team swung to an 8-2 record to capture the championship once again. All the members of the squad worked extremely hard and each player contributed a great deal to the team. In non-county competition, the Vikings compiled an overall record of twelve wins and five losses.

The Girls' Track team enjoyed its best season ever this spring with an 8-4 dual meet record and a Howard County Co-Championship. Twenty-seven girls were a part of this year's team, with everyone contributing to our very first track championship. With only six seniors graduating this year, a strong future seems probable. Individually, Pepper Hammond became the first Mt. Hebron girl to win a state championship in the shotput.

The Boys' Track team had a good season, sending six team members to the state championship. New records were set in the high jump, 2-mile run, 330 hurdles, and 2-mile relay. As always, the team worked hard and personal goals were realized for all team members.

Mt. Hebron's Gymnastics team had a county record of 1 and 5. They placed third in the county championships after a scoring mix-up. The team did not do as well as expected this year because of many injuries on the team. Coach Conrad is hoping for a more successful season next year, with many returning gymnasts.

Varsity and J.V. Lacrosse Net Successful Seasons

Under the direction of coaches Skip Link and Bob Fuhrer, Varsity Lacrosse ended their best season ever, with an overall team standing of 10-2. Great teamwork was a key factor in the victorious season. Art DeCarlo, Brian Dalton, and Richard Williams were made members of the All-County Lacrosse team.

The J.V. Lacrosse team surprised Coach Kesmodel, ending the season with a 4-1 county record. Everyone on the team was given the chance to play in every game, no matter what the player's ability was.

Outstanding Play Gains Championship

Avia Rampolla

An undefeated county record of 10-0, captured the County Championship for the Tennis team. Led by Coach Terpening, the team had many outstanding players, proved by an overall record of 14-2. Terri Costello, a freshman, won the County Tournament. Our mixed doubles team, Mark Stinson and Meryl Friedenberg, were also victorious in the County Tournament and placed third in the District Championships. Jeff Todd and the men's doubles team, Steve Waagbo and Steve Weingarten, played excellently, placing second in the County Tournament. The team members were looking forward to a great season next year.

Viking Swimmers: Olympic Prospects

Mt. Hebron does not have an official swimming team, but that did not stop Janet Freudenstein, Lolita Nisley, and Sally Winde from making it big in the world of swimming. At the Atlantic Seaboard Swimming and Diving Competition on Saturday, February 14, Janet, Lolita, and Sally accumulated 94 team points, good enough to give Mt. Hebron a 7th place finish out of 39 schools. Janet and Sally each turned in performances in this meet good enough to qualify as a High School All-American. Additionally, these two swimmers qualified for the A.A.U. Nationals in Long Beach in April. Sally qualified for the 100 meter and 200 meter breast stroke, and Janet swam the 100 meter freestyle, 100 meter fly, and the 100 meter backstroke.

Janet proceeded to finish third in the 100 meter backstroke with a time of 1:05.9, thus becoming the first person from Mt. Hebron to qualify for the Olympic Trials, which were held last June. Also, her effort won her a full swimming scholarship to the University of Miami.

The painting is a still life, showing a large, round, dark object, possibly a fruit or a piece of pottery, resting on a surface. The background is dark and indistinct, with some lighter, abstract shapes that suggest a window or a reflection. The overall mood is somber and contemplative.

Spaghetti Dinner sponsored by the Chorus

With the end of the year drawing close, the Yearbook Staff decided to include thoughts and ideas which had not been previously explored. Thus, the Endpapers were born. These last eight pages of VALHALLA serve as a conclusion and tribute to the spirited year of 1976.

Reverse Side

Yeah, I'm a senior, so what about it? So there's only two weeks left of school, and then I'm out in the big world. Can't wait until graduation night. It's gonna be great. I'll cruise up front, grab that diploma, say "thanks buddy," and run. S'pose I don't know where I'm running to, though. Before, all I did was follow the rest of those darn rowdies. I knew I could always find someone at a game, a party, McDonald's, somewhere. But now it's gonna be different. We're all going to take off and try to make it on our own.

Listen to this joke: letting graduation get to him after twelve years of being a hard guy. Oh, geez. Yea, it's time to make the scene in class. I guess I might even miss that when it's over. Check ya later, buddy! Thanks, see ya, bye.

It's graduation and it's unbelievable that I'm here. They'll call my name in a few minutes, and I'll walk up to receive my diploma. Where do I go from here? I've always had the security of the school routine and its activities, surrounded by the friends I was so familiar with. Now we'll all be going in different directions, and I wonder how long it will be before the memories that meant so much start to fade. After twelve years of this you would think I would be ready to move on, but I feel like I'm leaving a part of me behind. Maybe that's good though, because I really have changed in the four years that I've been here.

Well, pretty soon they'll get to my name. Then I'll be up there, and it'll be all over. In a way, I guess everything's really just beginning.

To Lesley

A mist of sunlight, clinging
 obliquely on shadowed wall,
 Flickers, awakened by the echo
 of a football
 In the stillness of the empty corridor.
 I turned, hoping to see you enter---
 With floppy hat, and scarf flung back
 Framed, for an instant, like a
 Kubrick portrait.
 But only the empty echo
 And the fragile film of sunlight
 Remained.
